Date: \_\_\_\_\_

*Please note:* This requirement sheet will become void unless 12 hours of credit at Kent State University have been earned in a two-year period. Preserve this sheet. It is your only assured official statement of degree requirements.

**General Course Work (38-39 hours)**

- US 10097 DKS: FirstYearExperience..... 1
- Composition**
- ENG 11011 College Writing I..... 3
- ENG 21011 College Writing II ..... 3
- Mathematics & Critical Reasoning**
- Choose ONE from Mathematics & Critical Reasoning*
- (See Reverse)* \_\_\_\_\_ ..... 3-4
- Social Sciences**
- PSYC 11762 General Psychology ..... 3
- Choose ONE from Social Sciences (See Reverse)(no Psyc)*
- \_\_\_\_\_ ..... 3

**Humanities and Fine Arts**

*Select three from Humanities & Fine Arts. One must be from Arts & Sciences and one must be a fine arts course.*

- (See Reverse)*
- (A&S) \_\_\_\_\_ ..... 3
- \_\_\_\_\_ ..... 3
- (Fine Arts)* \_\_\_\_\_ ..... 3

**Basic Sciences (do not take CHEM 10060)**

- CHEM 10050 Fund. of Chemistry ..... 3
- Choose from the Basic Sciences (See Reverse)*
- \_\_\_\_\_ ..... 3
- \_\_\_\_\_ (lab)..... 1

**Additional**

*Choose ONE from Kent Core in Categories II-V. Select no more than one course from any Category.*

- NUTR 23511 Science of Human Nutrition ..... 3
- \_\_\_\_\_ ..... 3

Diversity requirements met?  Global  Domestic

**Major Course Work**

**A minimum 2.5 GPA or better is required in the major**  
**Minimum grade of C (2.5) required in all ATTR courses**

**Core Requirements (60 hours)**

|      | 21430[1]  | (3)&(1) | Frontiers in Astronomy & Lab(pre/coreq 21430) |

**VI. ADDITIONAL..... 6 hours**

Select from courses listed below or from Categories II-V listed above.

Courses must be selected from **two different** categories.

|      |       |     |                               |
|------|-------|-----|-------------------------------|
| COMM | 15000 | (3) | Intro. to Human Communication |
| PHIL | 11009 | (3) | Principles of Thinking        |

**TOTAL..... 36-37 hours**

**Important Notes:**

1. A minimum cumulative 2.5 GPA is required for graduation.
2. A minimum 2.5 GPA or better is required in the major for graduation. Minimum grade C (2.0) required in all ATTR courses.
3. Advancement to the professional program is controlled through the first practicum course (ATTR 15092). In order to be eligible for this course, students must complete 30 credit hours; make formal application to the program (usu. Spring of freshman year); provide 3 professional letters of reference; complete 150 hours of directed observation under the supervision of a certified athletic trainer; have a **minimum 2.5 GPA**; secure first aid and CPR certification; successfully complete ATTR 15011, which includes an oral and written exam; secure staff evaluations and complete a self-administered evaluation; and complete an interview with the professional athletic training staff. Students may be selected based upon their competitive rank using their GPA, evaluation scores, interview scores and ATTR 15011 written and oral exam scores. Those selected may enroll in ATTR 15092 during the following semester.
4. Students must complete 39 upper division hours for graduation.
5. Two diversity courses are required for graduation (Fall 2001 and beyond) - at least one course addressing domestic (d) issues and one course addressing global (g) issues.
6. One writing intensive (w) course is required for graduation.
7. A minimum of 121 valid hours is required for graduation from Kent State University.
8. Students who successfully complete the ATTR major are eligible to sit for the National Athletic Trainers' Association Board of Certification (BOC) examination and the athletic training licensure exam by the Ohio Occupational Therapy, Physical Therapy, and Athletic Training Board.

**KENT STATE UNIVERSITY**  
**ATHLETIC TRAINING EDUCATION PROGRAM**  
**“A CAATE-ACCREDITED, ENTRY-LEVEL PROGRAM”**

**Clinical Education and Admission Criteria**

Athletic Training is an allied health profession dealing with health care for life and sport. Athletic Training includes the prevention, evaluation, treatment and rehabilitation of athletic injuries. Athletic trainers are certified by the Board of Certification (BOC) and licensed in the state of Ohio by the Occupational Therapy, Physical Therapy, and Athletic Trainers' Board. **The Athletic Training education program is accredited by the Commission on Accreditation of Athletic Training Education (CAATE).**

The Athletic Training education program consists of Pre-professional and Professional components. **Students must be enrolled as full-time students during both the Pre-Professional and Professional Phases of the program.** In the Pre-professional phase, the student completes a directed observation year. The Professional phase begins after formal admission into the Athletic Training education program and includes clinical courses and clinical educational experiences under the direct supervision of an athletic trainer.

Advancement into the Professional phase of the Athletic Training Program is selective and is limited. Limited admission will ensure that an appropriate student to clinical instructor ratio (approximately 8:1) is maintained.

After completion of the Pre-professional directed observation requirement (normally done within the first two to three semesters of full time study), formal application to the Professional phase of the program is made. Advancement to the Professional program is controlled through the first practicum course (ATTR 15092). In order to be eligible for this course, students must: complete thirty (30) credit hours, make formal application to the professional phase of the program, provide three professional letters of reference, complete 150 hours of directed observation experiences under the direct supervision of an athletic trainer, have a minimum 2.5 GPA, secure first aid and CPR certification, successfully complete ATTR 15011 which includes an oral and written exam, secure staff evaluations and complete a self-administered evaluation, and complete an interview with the professional athletic training staff. After these requirements have been fulfilled, students may be selected for advancement into the Professional phase of the program based upon their competitive rank using their GPA (15%), ACI evaluation scores (40%), interview scores (20%) and ATTR 15011 written (10%) and oral (15%) exam scores. Those selected may enroll in ATTR 15092 during the following semester.

Students who are not accepted into the Professional phase may reapply the following year by completing another Pre-professional year. Due to the extensive clinical component associated with this program, students may reapply only once. Students who are not selected for the Professional phase of this program will work with the Program Coordinator to identify alternate academic programs to pursue.

Students who have transferred to KSU must complete the required directed observation period at Kent State University prior to advancement into the Professional phase of the program as described above. Prompt commencement of the directed observation period is necessary as it will take a minimum of six semesters at Kent State University to complete the clinical courses and clinical experiences in the Professional Phase. No core courses will be transferred as equivalents. All core courses must be taken at the Kent campus to ensure competency mastery. Departmental, Extra-departmental and LER's will be evaluated by the ATEP Coordinator and College office for transfer of credits. Course syllabi are required for courses to be considered as transfer equivalents in the major

**Clinical Experience**

Once accepted into the Professional Athletic Training education program, students will begin the formal clinical education courses. Directed clinical experiences and supervised clinical experiences are also required. Although most of these experiences will be at the University, off-campus high school and clinic sites are also required. These experiences are accrued through clinical courses including practicum and internship, in no less than 6 semesters. Completion of the academic and clinical program is required for endorsement for the BOC examination.

Students interested in this area of study will be advised by the Athletic Training Program Coordinator and should contact the Program Coordinator promptly to discuss the specific entrance, selection, health and retention criteria in greater detail. Completion of the Technical Standards for Admission form must be completed by each student prior to commencing the Pre-Professional and Professional Phases of the program.

All students in the Professional Phase must have on file with the ATE PC a physical examination completed by their own physician (which will be reviewed and cleared by our team M.D.), a completed technical standards form, copies of immunization records, a completed student contract, a criminal background check, a confidentiality form, and a completed insurance form. Failure to have these documents completed will result in failure to participate in the clinical experiences in the program.

Further, Blood Borne Pathogen Training and CPR/AED training must be completed annually to be able to participate in the ATEP clinical program.

**[Note: This is a tentative program which depends on the number of transfer credits which are transferred into the program. However, the sequence of the ATHLETIC TRAINING CORES COURSES will be completed in the order listed above. Due to the competencies related to the ATHLETIC TRAINING CORE courses, students may not transfer in (as equivalents) any of the courses listed under ATHLETIC TRAINING CORE in the course of study. Students must take these courses the Kent State Main Campus.]**
