CALL TO ORDER AND ROLL CALL

Board Chair Jacqueline Woods called the meeting to order at 11:50 a.m. Chair Woods welcomed newly appointed Trustee Richard Marsh, who was attending his first meeting. Secretary Dennis Eckart called the roll, and a quorum was present.

PROOF OF NOTICE

Chair Woods stated that public notification was given pursuant to state law and university policy.

APPROVAL OF THE AGENDA

Chair Woods observed that this special meeting of the Board of Trustees was called for the sole purpose of considering a proposed land exchange with the City of Kent. She then asked the Board if there were any additions or corrections to the agenda, hearing none, the agenda was approved by general consent.

REPORT OF THE FINANCE AND ADMINISTRATION COMMITTEE

Chair Woods then called on President Lefton to present the management decision item.

APPROVAL OF KENT STATE UNIVERSITY/CITY OF KENT PROPERTY EXCHANGE FOR DOWNTOWN REDEVELOPMENT PROJECT

President Lefton brought forth a resolution requesting approval of a land exchange with the City of Kent, which is required for private development on the parcel conveyed from the university,
and to allow for the completion of the university Esplanade on the parcels received from the city. Due to pressing deadlines in the private development component, immediate action is required, he said.

Trustee Eckart remarked on the time constraints involved with private financing of the project, necessitating the special meeting. Trustee Colecchi asked if there would be additional due diligence and costs such as title work required for the transaction. Secretary to the Board Charlene Reed replied that the costs should be minimal since the land had been transferred to the university from the city in the last couple of years when a different footprint for the conference center was contemplated. Trustee Eckart observed that without this land, the university Esplanade would have to be re-routed. Chair Woods agreed that the transaction is mutually beneficial, allowing the university to meet its objective of extending the Esplanade.
