Spring Semester Final Exam Schedule 2024

1. The final examination period for fall semester day and evening classes is **Monday, May 6, 2024 through Sunday, May 12, 2024.**
2. **The time and date of final exams is determined by the first class meeting of the week.** (NOTE: If a course consists of several elements - lecture, recitation, lab, etc.- the first lecture meeting is considered the first class.)
3. For classes that are held once a week, exams will be given at the regularly scheduled class time during finals week.
4. Exams will be held in the room where the lecture section of the class regularly meets unless otherwise noted.
5. In the event that there is a schedule conflict, instructors are expected to make suitable arrangements for those students. Students who have three or more exams on the same day should consult their instructors at the earliest possible time for assistance in making suitable alternative arrangements.
6. Final exams or class meetings during final exam week must be held at the time and place listed for each course. All classes are expected to have some instructional or evaluative activity during the final exam time.
