

Kuali Proposal Development
Proposal Types

The table below provides descriptions for the choices in the **Proposal Type** dropdown menu in the **Proposal Details** tab.

Proposal Type	Description	Route for Approvals	Push to IP
Pre-Proposal	Short description of proposed project that does not involve a binding commitment of university resources. Sponsor will not make an award based on the pre-proposal, but on subsequent full proposal.	Yes	Yes
New	An application that is submitted for external funding for the first time.	Yes	Yes
New – Change/Corrected	S2S, Grants.gov submissions only. A new application was submitted for the same deadline and is being resubmitted to correct warnings or errors.	N/A	Yes (override original IP record)
Resubmission	Application previously submitted and reviewed by sponsor but not funded. The application being submitted for reconsideration addresses reviewer feedback.	Yes	Yes
Resubmission – Change/Corrected	S2S, Grants.gov submissions only. A resubmission application was submitted for the same deadline and is being resubmitted to correct warnings or errors.	N/A	Yes (override original IP record)
Renewal	Requests for additional support <u>beyond</u> the period and funding provided by an existing award. Confirm sponsor requirements.	Yes	Yes
Renewal – Change/Corrected	S2S, Grants.gov submissions only. A renewal application was submitted for the same deadline and is being resubmitted to correct warnings or errors.	N/A	Yes (override original IP record)
Revision	Request for an increase in support <u>within</u> the period for an existing award.	Yes	Yes
Revision – Change/Corrected	S2S, Grants.gov submissions only. A revision application was submitted for the same deadline and is being resubmitted to correct warnings or errors.	N/A	Yes (override original IP record)
Continuation	An application for a subsequent budget period within a previously approved project and which is not in competition with other applications.	Yes	Yes
Budget Revision	For internal use only: to calculate a revised budget for a JIT or funded continuation year. <i>May or may not be routed for approvals (threshold is 10% decrease or substantial change in personnel effort)</i>	Maybe	No (mark Dev # on paper file; add copy of revised budget and SOW to original IP record)

Proposal Type	Description	Route for Approvals	Push to IP
Task Order	A master agreement exists, and the proposal is for a new project that will be funded under the master agreement.	DO NOT USE
