Graduation Honors and Separate Ceremonies

Graduation with Institutional Honors – Bachelor’s Degree
- Candidates for bachelor’s degrees who demonstrate high levels of scholarship throughout their undergraduate years graduate with institutional honors. Graduation with institutional honors is conferred on students who earn a baccalaureate with a GPA of at least:
  - 3.500 *cum laude*
  - 3.700 *magna cum laude*
  - 3.900 *summa cum laude*

Institutional Honors
- Institutional honors are based solely on the GPA earned in all coursework taken at Kent State University, including original grades forgiven and/or recalculated under other policies. A minimum of 60 semester hours must be earned at Kent State University to qualify. For the purposes of computing the final GPA and determining honors awards, the GPA is extended to three decimal places and not rounded up. Honor citations are inscribed on diplomas as follows: *cum laude*, *magna cum laude* and *summa cum laude*. Honors candidates will be distinguished at the commencement ceremony based on all their institutional academic work completed prior to those courses taken during their final term of enrollment.
- Honor cords are for students graduating with a Baccalaureate Degree. There is no charge for honor cords. The Kent Campus will send the honor cords to the Geauga Campus for students who participate at the Geauga Campus ceremony. Please email Dave Chappell (dchappel@kent.edu) to request delivery of honor cords to the Geauga Campus.
Graduation with Distinction – Associates Degrees

- Candidates for associate degrees who demonstrate high levels of scholarship through their coursework will graduate "with distinction." "With distinction" is awarded when students achieve a minimum 3.500 GPA for all undergraduate coursework at Kent State University. In order for students to be considered for graduation "with distinction" and have it inscribed on their diploma, a minimum 32 credit hours must be completed at Kent State University. The students’ unadjusted GPA at the time the associate degree is conferred (which should be unadjusted by the application of the academic forgiveness policy or course repeat policies) will be used in determining "with distinction."

- Lapel ribbons, for those graduating with an Associate Degree Distinction Cumulative GPA of 3.500 or above, are distributed during rehearsal.

Kent Campus Commencement Ceremony

- All students graduating with a Kent State University Degree (Associates – Doctoral) are invited to attend the University Commencement held on May 13th, 2017 at 10 am in Dix Stadium. Geauga and Regional Academic Center students may attend both of the Geauga Campus Commencement & University Ceremonies on May 13th.
