The Second Annual

Kent Creativity Festival

An opportunity for people of all ages and skill levels to come together and create, share and explore the making of all forms of art. The event features interactive creative activities that will engage and inspire people to explore their own creativity, and participate in the joy and transformative power of making art and sharing it with others.

11 am – 5 pm, Saturday, September 30, 2017
Lester A. Lefton Esplanade
This event is free and open to everyone
