✓ Destination Kent State: Registration and Advising Details

Destination Kent State is a required three-step orientation program designed to help students transition to Kent State and achieve success. The first step is Destination Kent State: Registration and Advising. All new students will attend the program in June or July to register for fall classes. During the overnight visit, students will stay in the residence halls, meet other incoming students, meet with an academic advisor to create their fall class schedule and take part in many more activities.

Invitations to register for this program will be mailed to your home beginning in March. The invitation will detail how to register. Once you receive our invitation, go online to www.kent.edu/destination for information about the program. Your enrollment fee helps cover the cost of the program, so there are no additional fees for students to attend.

Family members are invited and encouraged to attend Destination Kent State: Registration and Advising with their students. They will have the opportunity to learn more about financial aid and payment options, living on campus or commuting to campus, as well as how to help their student make a successful transition to college life. Family members attending the program will pay a program fee of $40 per person (estimated). Family members who choose to spend the night can book a hotel room or be housed in a residence hall separate from their student at an estimated cost of $24 per person. Families driving long distances can choose to spend an additional night in the residence hall prior to their visit, at an estimated cost of $24 per person. Payment of fees is required at the time of registration for the program. Fees are subject to change.
