EXECUTIVE SESSION

Following meetings of the Board as a committee of the whole, and of the standing committees, the Board reconvened at 11:30 a.m., in the Kent Student Center Alumni Suite, for the purposes of executive session.

In accordance with Section 121.22(G) of the Ohio Revised Code, Chair Eckart announced that the Board had a need to meet in Executive Session for the purposes of: (i) considering the employment and compensation of a public employee or official [R.C. 121.22(G)(1)]; (iii) conference with attorney for the public body concerning disputes involving the public body that are the subject of court action [121.22 (G)(3)]; and (iv) preparing for, conducting, or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of their employment [R.C. 121.22(G)(4)].
Trustee Pollock moved, seconded by Trustee Copeland, that the Board retire into Executive Session in the Alumni Suite in the Kent State Student Center.

By virtue of a unanimous roll call vote, the Board adjourned into Executive Session. The session concluded at 1:00 p.m. The executive session was followed by meetings of the Finance and Administration Committee and the External Relations and Development Committee.

**APPROVAL OF THE AGENDA**

The Board reconvened for the business portion of the meeting at 2:32 p.m. in the Urban Conference Room. Chair Eckart requested additions or corrections to the afternoon’s agenda. Hearing none, the agenda was approved by general consent.

**DISPOSITION OF MINUTES**

Chair Eckart requested additions, corrections, and deletions to the minutes of the December 3, 2014 Board of Trustees meeting. Hearing none, the minutes were approved by general consent.

**REPORT OF THE CHAIR**

Chair Eckart thanked everyone for being there as the Board gathered to conduct important business of the university and he noted the presence of a quorum.

Chair Eckart began with an update on the Foundations of Excellence initiative, noting that the projects are on time and on budget. He observed that during a recent visit to the Kent campus, he had the opportunity to tour the newly opened Aeronautics and Technology Building and the Center for Undergraduate Excellence (CUE), which is near completion. Dedication ceremonies for both facilities will be held in April and he encouraged trustees to visit these facilities as soon as possible. He thanked the staff and senior leadership for their excellent work in completing these projects, which will have significant impact on the student experience and student success for decades to come.

He thanked Trustee Steve Colecchi for joining him in attending the recent meeting of the Kent State University Foundation Board of Directors in Florida. Foundation Board Chair Gary Brahler and Chair Eckart have worked together to increase collaboration between the two boards this year. Chair Eckart observed that he believes there is a stronger linkage between the boards today. He encouraged all trustees to be part of the process by attending a joint reception of the two boards on June 4, immediately following the next business meeting of the Board of Trustees.

Chair Eckart then turned his focus to the Inauguration Week events that will occur April 25 through May 1. The events will center around the theme of “One University: A Future of Innovation, Impact and Influence,” and will honor the impact of Kent State University as well as the formal installation of Dr. Beverly Warren as the university’s 12th president. He noted that events will occur across all eight campuses of the university and will involve students, faculty, staff, administration, alumni, friends and members of the public.
The events begin Saturday, April 25, and culminate in Inauguration Day, Friday, May 1, with a formal inauguration ceremony at 2 p.m. in the Memorial Athletic and Convocation Center (MACC), he reported.

On Saturday, April 25, the focus is on Making a Local and Global Impact through a KSU Flash-A-Thon benefitting Akron Children’s Hospital. The Flash-A-Thon is a nonprofit philanthropic organization that conducts events benefitting the hospital all year, culminating in a 12-hour dance marathon fundraising event. He encouraged those present to support the event – dancing and donations all are welcome.

On Tuesday, April 28, the focus turns to Students First: Celebrating Student Success. Events include the formal dedication of the new Center for Undergraduate Excellence (CUE); a “BB Cue” celebrating student success with music, food and friendship across the campuses; an afternoon baseball game versus the Oakland Golden Grizzlies; and finally, a 7 p.m. dedication of the Kent State Student Memorial Garden. He noted that the construction of the contemplative garden completes a longtime campaign, led by the Undergraduate Student Government, to pay tribute to Kent State students who were pursuing a degree at the time of their passing and also recognizes departed faculty, staff, alumni and friends of the university.

Making a Local and Global Impact is the focus of a special event on Wednesday, April 29. At that time the Wick Poetry Center will present its 14th annual Giving Voice Program and announce a new Global Traveling Stanzas initiative engaging a global conversation through the intimate and inclusive voice of poetry. Among special features of that program will be the presentation of poems written by President Warren and fourth graders at Kent’s Holden Elementary School.

On Thursday, April 30, several events will promote the theme of Honoring Our Past and Imagining our Future, he reported. Festivities begin at 3:30 p.m with a Presidential Tree Planting on Manchester Field. The newly planted grove of oak trees will represent the legacies of the first 12 university presidents, each with a different oak species to recognize the unique contributions of that leader. Joining Dr. Warren in this tree planting ceremony will be presidents emeritus Dr. Michael Schwartz, Dr. Carol Cartwright, and Dr. Lester Lefton.

Chair Eckart then described what he observed will likely be one of the most special events of the week – a Presidential Perspectives panel discussion featuring the four past and current presidents of Kent State University at 5 p.m. in the Kent Student Center Ballroom. The panel discussion will be moderated by Kent State alumnus and CNN anchor Carol Costello.

Chair Eckart commented that he would like to appoint a trustee-in-residence for each of the inaugural events, giving everyone the opportunity to represent the support of the board at these important occasions. He distributed a summary list of events and sign-up sheets and asked trustees to volunteer for those events they would like to attend. With that, he thanked trustees for their support and asked President Warren to give her report.
REPORT OF THE PRESIDENT

President Beverly J. Warren began her report by summarizing the activity of the prior eight months. President Warren reported that she had completed her Listening Tour, which consisted of 56 events, 14 cities, and approximately 5,000 participants. Additionally, she reported that she had visited an additional five cities between January and March, 2015 and delivered her final “I Heard” report to the Kent State University community on February 3, 2015. She also expressed appreciation to trustees for their excellent feedback provided during the committee of the whole session, which will help as she and others prepare for strategic visioning activities.

Next, President Warren moved to the topic of the One University Commission (1UC), which she indicated had a report due to her on March 23, 2015. President Warren highlighted that the 1UC is chaired by Provost Todd Diacon and consists of 32 members who represent a wide range of constituencies from across the university community. Further, these 32 members are engaged in targeted work serving on four work groups covering the following areas: Students First, Faculty Matters, Faculty Matters and Distance Learning, and Administrative Structure for Regional Campuses.

President Warren also reported on the ongoing assessment of the Athletics program, which has its full report due in June 2015. Again, President Warren referenced the Board’s earlier conversation in the morning’s meeting and noted that preliminary considerations were provided during that time.

Next, President Warren shared an overview of the external assessment of research and scholarship and provided a report on the launch of the visioning initiative. President Warren explained that this initiative includes a 16-member Strategic Visioning Advisory Committee made up of members of the Kent State University community.

To conclude her report, President Warren recognized the varied accomplishments and work of a number of Kent State University faculty, staff and administration. She began by introducing two student athletes, Tyler Buckwalter and Stephanie Haugh, who demonstrated success in the classroom and on the field. Buckwalter is a senior Health and Physical Education major from MeElhatten, Pennsylvania. Buckwalter is in the Honors College and has a cumulative GPA of 3.94. Buckwalter is also a member of the wrestling team. Highlighting his accomplishments, President Warren noted that Buckwalter is the only male in MAC Conference to win MAC Scholar-Athlete of the Week twice. Buckwalter also volunteered to coordinate Fridays with the Flashes at Walls Elementary School for a semester and he spent each Friday afternoon coordinating recess activities for the kindergarten-5th grade students.

Next, President Warren recognized Stephanie Haugh a senior double major in Psychology and Criminology & Justice Studies from Richmond Hill, Ontario, Canada. Haugh has a cumulative GPA of 3.981 and is a member of the women’s soccer team. President Warren noted that Haugh has been recognized three times as an Academic All-District scholar, and is a three-time Academic All-MAC award winner. Also, Haugh is ranked fifth in Kent State history books for career goals, second in career assists, fourth in points scored and ninth in game-winning goals.
Next, President Warren recognized three members of the Kent State University community who were integral in the recent rendition of the play, “My Heart is a Drum.” President Warren began by recognizing Dr. Terri Kent, a professor and head of the Musical Theatre program and producing artistic director of Porthouse Theatre. She has performed regionally and internationally and has directed locally at Cain Park, the Halle Theatre, and Weathervane Theatre.

President Warren then recognized Shamara Costa, a senior Musical Theater major. Costa, who played the lead in “My Heart is a Drum,” spent a summer at Porthouse Theater and is returning again this summer. President Warren noted that Costa is extremely intelligent, takes the hardest classes, works multiple jobs while going to school and has taken responsibility for her educational undertaking both financially and personally.

Next, she recognized Kaishawn Thomas, a sophomore musical theater student. Thomas played Catherine, the teacher, and also played one of the spirits in “My Heart is a Drum.” President Warren noted that Thomas made her stage debut at age five in the play “Big River” at the Porthouse Theater. Thomas also has received an Oscar Richie scholarship at Kent State.

President Warren then recognized two members of the administration, Dr. Charlene Reed, Vice President and University Secretary and Dr. Melody Tankersley, Associate Provost, who were going to play lead roles in the university’s upcoming strategic visioning efforts.

President Warren then recognized Dr. E. Timothy Moore, the 2015 Diversity Trailblazer Award recipient. Moore has nearly 40 years of academic and administrative life at Kent State. He is an Assistant Dean Emeritus, Arts and Sciences and Associate Professor Emeritus, Pan-African Studies, where he developed multiple diversity courses. Moore is the sixth recipient of the Diversity Trailblazer Award, a recipient of the Distinguished Teacher Award, a recipient of The Distinguished Honors Teaching Award, and many other university and community awards.

Next, she recognized three faculty members whose work is solving societal challenges. President Warren began with Dr. Tara Smith, Associate Professor of Epidemiology/Biostatistics in the College of Public Health. Dr. Smith’s research focuses on zoonotic infections (infections that are transferred between animals and humans). She was the first to identify livestock-associated strains of methicillin-resistant staphylococcus aureus (MRSA) in the U.S. and pioneered the country’s investigation of this organism. Additionally, she has published more than 50 peer-reviewed papers and book chapters and has received more than $3 million in funding.

President Warren then recognized Dr. Lara Leff, Interim Chair of Biological Sciences. Dr. Leff focuses on human impacts studies including contamination of stream sediments with organic pollutants, tire dumps, acid mine drainage, and nutrient pollution from fertilizer application. She has authored more than 100 publications and has received a total of $6.3 million in extramural funding at Kent State from federal agencies such as the National Science Foundation, Department of Education, NASA, and the EPA.
Next, she recognized Phil Rumrill, Professor of Lifespan Development and Educational Sciences, Coordinator of the Rehabilitation Counseling Program, and Director of the Center for Disability Studies. His research interests include issues facing students with disabilities in higher education, disability policy analysis, chronic illness, workplace discrimination, and self-advocacy strategies for people with disabilities. He has held management roles on 28 federal and private foundation grants with total budgets exceeding $16 million, and he has published 250 journal articles, book chapters, and special issues of journals in the fields of education, healthcare, and rehabilitation, and has authored or co-authored 12 books.

President Warren also acknowledged the coordinated work of Gregg Floyd, Senior Vice President for Finance and Administration, and David Ruller, City Manager of Kent. President Warren thanked Floyd and Ruller for their work on the Summit Street improvements, including a much needed “heart bypass.” Ruller has been the City Manager of Kent, Ohio, since 2005 and has won numerous state, national and international awards for revitalization of downtown Kent.

Next, President Warren noted the significant progress in the area of advancement that Steve Sokany, Interim Vice President for Institutional Advancement, has led. Total commitments now stand at $17.1 million, up $2.1 million from the same time last year. The total number of new pledges also has increased by 378 to 3,527 (up from 3,149), she said.

Also in the area of advancement, President Warren recognized Matt Geis and Shawn Gordon. She introduced Matt Geis, Senior Associate Athletics Director/Executive Director for Athletic Advancement, who has directed and realized more than $27 million in fundraising for intercollegiate athletics during the last five years. Geis has raised more than $35 million in his career at Kent State. During this fiscal year, athletics has raised $4.7 million in cash and pledges to date, which is 39% ahead of the total cash and 129% ahead of the total new commitments compared to last fiscal year at this time. President Warren also noted that Geis is a 2001 Kent State graduate who started out as an intern in the call center.

Finally, President Warren recognized Shawn Gordon, Senior Director of Advancement. Gordon is a two-time Kent State graduate who joined her alma mater as Director of Advancement for the College of the Arts in 2008. Since then, college fundraising has increased by more than ten-fold. She has secured several leadership-level gifts including a $1-million donation to the School of Art and a $2-million donation to the School of Music. Gordon currently is looking for a $5-million gift to name the Center for the Visual Arts. President Warren highlighted that Gordon is a very proud Golden Flash whose son was born on May 4th and named “Kent” in honor of her father-in-law and her alma mater.

With that President Warren concluded her report and turned the floor over to Chair Eckart.

Committee Chair Copeland reported that Vice President Jarvie updated the committee on revisions to two administrative policies: Administrative Policy 3342-7-05.3 Regarding Student Leader Scholarships and Operational Policy 3342-4-02.102 Regarding General Nonacademic Grievance Procedures for Students. Both revised policies were effective January 1, 2015.

Provost Diaco updated the committee on the establishment of the Career and Community Studies Non-Degree Program. The College of Education, Health and Human Services received a grant in 2010 from the U.S. Department of Education (one of 27 post-secondary programs nationwide) to develop and pilot a comprehensive transition and post-secondary program for students with intellectual and developmental disabilities. Nineteen students will have earned the
required 120 hours and are scheduled to receive a Record of Completion and participate in a special ceremony this spring. Grant funding ends this year; however, the program will continue to be offered through tuition and program fees.

Finally, the committee heard three presentations: Marcello Fantoni, Associate Provost for Global Education, a Global Education Update; Vice President Jarvie, an Enrollment Update; and Vice President Dr. Alfreda Brown and Dana Lawless-Andric, Executive Director for Diversity and Inclusion, Diversity, Equity and Inclusion Student Success.

With that, Trustee Copeland concluded the Academic Excellence and Student Success Committee report.

**ACTION:** There were no objections to placing the management decision items on the consent agenda.

Chair Eckart asked Committee Chair Richard Marsh to present the Audit and Compliance Committee report.

**AUDIT AND COMPLIANCE COMMITTEE**

Trustee Marsh reported that the Audit and Compliance Committee met this morning with members of the external auditing firm Plante & Moran. They presented an outline of the audit activities that will be performed as part of Kent State University’s fiscal year 2015 audit. This meeting was helpful for the committee and continues to reflect a good working relationship between the auditors, management, and the Audit and Compliance Committee, he noted.

The committee reviewed the second quarter’s performance report for the 2015 fiscal year. This report compares the Internal Audit Plan budgeted hours to actual. There are no unusual items to report.

The committee was provided a brief presentation regarding effective internal controls. It was informative and demonstrated that internal controls promote an environment of growth and performance, reduce uncertainty about compliance issues, and help to create positive results for external audits.

As part of the compliance update, the committee heard a presentation on the protection of human subjects and animals in the university research enterprise. The presentation by the vice president of research and his staff demonstrated the university’s commitment to compliance with the stringent federal guidelines that govern research protocols.

With that, Trustee Marsh concluded the Audit and Compliance Committee report.

Chair Eckart then called on Committee Chair Stephen Colecchi to present the Finance and Administration Committee report.
FINANCE AND ADMINISTRATION COMMITTEE

Trustee Colecchi reported that the Finance and Administration Committee met this afternoon and recommended the following items for approval as part of the consent agenda.

APPROVAL OF TUITION AND FEES (COLLEGE OF PODIATRIC MEDICINE), 2015-2016 ACADEMIC YEAR

Trustee Colecchi noted the committee recommended approval of Resolution 2015-13, approving tuition and fees for the College of Podiatric Medicine. The resolution seeks approval to increase the college’s tuition by 4.0% for the 2015-16 academic year. The college operates under a different academic year than the rest of the university, as third- and fourth-year students begin their new academic year in May. Approval of tuition and fees is recommended at this time so billing can occur as needed in April. The proposed increase is not anticipated to change the college’s tuition ranking relative to other podiatric medicine colleges in the nation. The college relies upon student tuition as it receives no SSI (state share of instruction) for its graduate- and professional-level programming, it was noted.

Resolution 2015-13

APPROVAL OF TUITION AND FEES (COLLEGE OF PODIATRIC MEDICINE), 2015-2016 ACADEMIC YEAR

WHEREAS, the Board of Trustees is responsible for approving fees for instruction and other education services and also is authorized to establish special purpose fees and charges for services and benefits provided to students; and

WHEREAS, the College of Podiatric Medicine (KSUCPM) operates under a different academic calendar than the rest of the university and billing for fall semester occurs in the spring prior to the next Board of Trustees meeting; and

WHEREAS, tuition for KSUCPM is not subject to the tuition increase limitations set forth in the State’s budget bill; and

WHEREAS, additional resources are needed in a number of areas to preserve academic program quality and services to students, and repair and maintain academic rooms and facilities; and

WHEREAS, proposed changes to KSUCPM tuition and fees have been reviewed extensively by university staff including executive officers, to ensure that all are in the appropriate amounts and are necessary to protect program quality; now, therefore,
BE IT RESOLVED, that the Kent State University Board of Trustees hereby approves the attached schedule of fees to be effective with the 2015-16 academic year.

APPROVAL OF SPECIAL SURCHARGE RATES FOR NON-OHIO RESIDENTS

Trustee Colecchi noted the committee recommended approval of Resolution 2015-14, approving special surcharge rates for non-Ohio residents. The university currently has three approved reductions to the regular out-of-state surcharge assessed to non-Ohio residents that are set to expire at the end of the fiscal year. The resolution seeks approval to continue these reductions through the spring semester 2017 and any summer terms that begin prior to June 30, 2017, subject to any required approvals from the Chancellor of the Ohio Board of Regents.

Resolution 2015-14

APPROVAL OF SPECIAL SURCHARGE RATES FOR NON-OHIO RESIDENTS

WHEREAS, Kent State University currently has three approved reductions in the regular out-of-state surcharge assessed to non-Ohio residents set to expire at the end of this fiscal year; and

WHEREAS, these special rates apply to students attending regional campuses from specific counties in Pennsylvania and West Virginia, non-Ohio residents enrolled in fully online programs, and non-Ohio residents enrolled in the English as a Second Language program; and

WHEREAS, the university has reviewed the enrollment impact of the special rates and recommends that they be continued; now, therefore,

BE IT RESOLVED, that the Kent State University Board of Trustees hereby approves a special fee of $10 per credit hour for non-Ohio residents enrolled in fully online programs or the English as a Second Language program, as well as the waiver of 80% of the then-current out-of-state surcharge for students attending regional campuses from specific counties in Pennsylvania and West Virginia, to continue through spring semester 2017 and any summer terms that begin prior to June 30, 2017, subject to any required approvals from the Chancellor of the Ohio Board of Regents.

It is anticipated that this special tuition rate will place the program’s cost below all other fully online programs in the nation. Currently, there are only three universities in the nation that offer the programs fully online.

Resolution 2015-15

APPROVAL OF COLLEGE OF ARTS AND SCIENCES ONLINE GEOGRAPHIC INFORMATION SCIENCE PROGRAM FEES 2015-2016 ACADEMIC YEAR

WHEREAS, the Board of Trustees is responsible for approving fees for instruction and other education services and also is authorized to establish special purpose fees and charges for services and benefits provided to students; and

The proposed increase is necessary to preserve and improve residence-housing offerings. Even with the increase, Kent State’s rates will continue to be among the most reasonable in Ohio. The resolution also seeks to adjust the early arrival housing fee and the housing application fee, with the latter adjustments effective for the Fall 2016 semester.

WHEREAS, the Kent State University Board of Trustees has an interest and responsibility regarding the quality and affordability of housing on the Kent Campus; and

WHEREAS, increasing costs of operations and reinvestment necessitate fee adjustments to preserve and improve residence housing offerings and board plans; and
