Welcome to Bb Student
Blackboard’s new mobile app built just for students like you

Simplify your academic life with Bb Student.

We know you’re juggling a lot. Between school, internships, friends, family and extracurriculars, it’s hard to stay on top of everything. Bb Student is here to help you keep your academic life organized, by keeping you up-to-date on assignments and allowing you to interact with your courses, instructors and classmates while you’re on the go.

With Bb Student, you can:

- **Access course content anywhere, anytime**: Whether you’re at the gym or traveling for spring break, you can check grades, view announcements, access course content and complete assignments.
- **Engage with peers and teachers**: Create, browse and reply to conversations using Bb Student’s Discussions tool.
- **Stay informed in real-time**: Tired of refreshing your browser, waiting for that mid-term grade to get posted? Get real-time push notifications to your phone about new grades, upcoming tests and past due dates.
- **Prioritize your work**: Bb Student’s activity stream prioritizes events and actions for you, so that you can stay on top of upcoming assignments and deadlines.
