Course Notifications

To have notifications sent from your courses, please follow the instructions below.

- Log into Blackboard Learn and click on your name to get the Global Navigation Menu dropdown. Click on Settings then click on Edit Notifications Settings.

- On the right side of the screen, under Bulk Edit Notification Settings, click on either Courses I am teaching or Courses I am taking. To change notification settings received on your mobile device, select or clear the box adjacent to each type of notification that is available for Mobile device and click Submit.

- 1. Select Course
   - Select all or individual courses from the left-hand box and use the arrow to move the course to the right-hand box.
Course Notifications (continued)

• 3. Settings
  o The check mark in the On/Off column on the left-hand side determines if notification, for each item listed, is sent to the selected destination, Dashboard, Mobile, and/or Email.
    ▪ No Checkmark = No Notification
    ▪ Checkmark = Notification
