Courses Tab

The Courses Tab contains a list of all the courses you have been in enrolled in.

- To access this tab, log into Blackboard through FlashLine or at learn.kent.edu. The classes will be displayed under Course List.

- As you enroll in more classes each semester, the list will become longer. To adjust which classes are visible on the list, click on the gear icon on the right side of the course list box.

- Then, uncheck the boxes next to the class that you would like to hide and click Submit.

In the example above, only the class in the red box will be hidden because no boxes are checked.
