PROGRAM DESCRIPTION

The Early Intervention Certificate Program is designed to train future professionals to serve families of infants and toddlers with developmental delays or disabilities in home and community settings. The following options are available:

FEDERAL SCHOLARSHIP OPTION (through 2017-18)

- One-year, full-time plan of study (Fall, Spring, Summer)
- Tuition waiver and monthly stipend
- Two-year service obligation after completion of program
  (employed position involving direct services to infants and toddlers with disabilities)

GRADUATE ASSISTANTSHIP OPTION

- Full-time plan of study (12 credit hours per semester)
- 20 hours per week of department work (assistantship)
- Tuition waiver and stipend
- No service obligation required

PART-TIME PLAN OF STUDY OPTION

- 3, 6, or 9 credit hours per semester
- No tuition waiver or stipend, but other sources of financial aid may be available
