Searching for Grant Funding Opportunities

October 2016 GPAD Workshop

Mark van ‘t Hooft, PhD (mvanthoo@kent.edu or 330-672-1630)
Kent State University
Office of Sponsored Programs
207 Schwartz Center
330-672-2070
sponsoredprograms@kent.edu
http://www.kent.edu/research/

Resources for Research (a good place to start is)
http://www.kent.edu/research/manage-and-fund-your-research

Funding Opportunities
http://www.kent.edu/research/funding-opportunities

Preparing a Proposal
http://www.kent.edu/research/prepare-your-proposal

Pivot can be accessed at
http://pivot.cos.com
http://www.kent.edu/research/funding-opportunities
Flashline: University Resources -> Research/Kuali

Pivot Support Files (especially the Pivot Quick Start Guide is very useful):
http://pivot.cos.com/support

Some Funding Opportunities for Graduate Students:

American Psychological Society: Student Grants (http://www.psychologicalscience.org/index.php/members/grants-awards-and-symposia; must be a member)
National Institutes of Health: Kirschstein Pre-Doctoral Individual National Research Service Award (F31) (https://researchtraining.nih.gov/programs/fellowships/F31)
National Science Foundation: Doctoral Dissertation Research Improvement Awards (various programs) Graduate Research Fellowship Program (https://www.nsfgrfp.org/)
