HONORS SECTION AGREEMENT
HONORS PROGRAM

TUSCARAWAS

DESCRIPTION
The Honors Program permits students to convert a non-Honors course into an Honors section. This option provides students with an enriched educational experience through a course in the major or other field of interest. Converted sections may be any number of credit hours and at any non-developmental level (10000-40000) but must be standard-letter-graded. Return to Kim Sweitzer, Special Assistant, Assistant Dean’s Office, Founders Hall, Room A104 c/o Dr. Lovejoy Das, Honors Program Coordinator, Kent State Tuscarawas.

STUDENT RESPONSIBILITIES
1. Discuss the Honors Section option during regular Honors academic advising prior to submitting a contract.
2. Discuss the Honors Section option with the instructor of the course.
3. Complete both sides of this form with a detailed description of projects, assignments, readings and/or activities that will increase the depth of your understanding of the course material and result in a unique experience for you.
4. Obtain written permission from the instructor who will teach the Honors section and supervise your work.
5. Meet with the instructor outside of scheduled class time to discuss the progress of your work.

INSTRUCTOR RESPONSIBILITIES
1. Ensure the Honors section relates to the work done in the non-Honors section (but is not merely an extension of a regular course assignment) and reflects an investment of 45 hours of work.
2. Prepare a separate syllabus for the Honors section.
3. Meet with the student outside of scheduled class time to review their work and discuss progress.
4. Report a standard letter grade for the student.
