Optional Practical Training Tutorial

• It is your responsibility to understand all of the details and requirements of your immigration status. Only you are responsible for maintaining your status.

• Read this entire tutorial carefully in order to completely understand the timelines, eligibility, procedures, and requirements for seeking Optional Practical Training authorization.

• If, after reading this tutorial, you have questions, ask an international student and scholar advisor by emailing isss@kent.edu
OPT Eligibility and Types of OPT

- You may apply for OPT if you have been in valid F-1 student status for at least one academic year (two academic terms), unless:
  - you have completed 365 days of full-time CPT, or
  - you are a non-degree or ESL student.
- Students who wish to work prior to graduation or completion of coursework should apply for pre-completion OPT (maximum of 20 hours per week when school is in session).
- Students who wish to work part- or full-time after graduation or completion of coursework should apply for post-completion OPT (most common).
Understanding the OPT Application Window

- You have a five-month (150-day) window in which you may apply for OPT, based on your graduation date or Program End Date (up to 90 days before this date and up to 60 days after).
Requesting an OPT Start Date

• You must request an OPT start date that is within your 60-day grace period. All OPT must be completed within 14 months of the Program End Date (typically, your graduation date). Therefore, waiting until late in your grace period to apply may result in an OPT authorization period that is less than 12 full months.

• Once an OPT application is mailed to USCIS, it is not possible to change the requested start date. If a student who graduates in May asks for a start date of July 1 and later receives a job offer for June 15, he still cannot begin working until July 1, and only if he is in physical possession of the EAD card.
Understanding OPT Processing Times and Expedite Requests

• It could take up to 90 days to be approved for OPT and receive your EAD card. If you have a job offer letter, we can include a copy with your OPT application.

• If you receive a job offer letter and it is beyond the normal 90 day processing time, an international student and scholar advisor can send it to the USCIS Potomac Service Center along with a request to expedite.

• This are the only possible ways to request an expedited processing. There is no guaranteed way to expedite an OPT application or make it go faster. There is also no guarantee that USCIS will expedite the request.
Q: Do I need a job or a job offer to apply for OPT?

A: No. You are able to apply for OPT without having any job offer ready. You are given time to look for a job while on OPT, because you are allowed 90 days of unemployment during the 1-year OPT authorization period.
Frequently Asked Questions

Q: Can I work without my EAD card?

A: No. You must physically have your EAD card in your hand in order to report to work. You are allowed to interview, accept a position, and complete any paperwork before you have an EAD card, but you may not actually report to work until you have the EAD card.
Q: Can I travel with pending or approved OPT?

A: Yes, but it is not recommended. When your OPT application is PENDING (meaning we have mailed your application but have not received an approval notice or an EAD card), you may travel outside the United States and you may return before the program end date on your I-20.

If your OPT is APPROVED, you must present the EAD card and a job offer letter at the U.S. port of entry. If you do not have these documents, there is a greater risk you will be denied re-entry.
Q: What if I leave the country when my OPT application is pending, and it is approved when I am outside of the United States?

A: Since you need to physically show your EAD card and a job offer letter at the U.S. port of entry, and since the EAD card will be mailed to the U.S. address listed on Form I-765, we do not recommend traveling internationally while an OPT application is pending. However, if you receive the card and offer while outside of the U.S., we recommend having the items sent to you wherever you are outside of the U.S.
Q: Can I work anywhere I want on OPT?

A: Any employment, internship, or other practical training experience you accept while on OPT must be directly related to your major field of study. For example, a computer science major must work, volunteer, or intern in a position directly related to computer science.
Q: What if my grace period ends and my application is still pending?

A: A student with a pending OPT application is in valid F-1 status (meaning you are allowed to remain in the United States), even after the end of the grace period.
Frequently Asked Questions

Q: Am I allowed to be unemployed while on OPT?

A: You are allowed 90 days of unemployment during your OPT authorization period (between the dates listed on your EAD card). If you exceed 90 days of unemployment, your OPT authorization ends.
Q: I just got a job or internship. How do I tell ISSS?

A: You must report your employment or internship details through the OPT Employer Information Form, which is available on the ISSS website (www.kent.edu/isss), on the Guides & Forms page under “Optional Practical Training.”
Q: I applied for OPT because I was supposed to graduate this semester. However, I need to retake a course or complete my capstone before I officially graduate. Can I start my OPT?

A: If your application was approved and you received your EAD, you can begin OPT part-time (max 20 hours per week) until you complete the course or capstone.

If your application is still pending, you need to contact USCIS and withdraw your application. You can reapply 90 days before your new program end date.
You must submit all of these documents in one PDF before we create your OPT I-20:

1. A copy of your passport biographical page
2. A copy of your most recent U.S. visa
3. A printout of your Form I-94 found at www.cbp.gov/I94
4. An original check or money order, made out to "U.S. Department of Homeland Security" for $410
5. Two recent 2" x 2" passport-style photos, cut in 2” x 2” squares. Write your I-94 number in PENCIL on the back. Do not use pen.
