Recreation Assistant

The Department of Recreational Services Tri-Rec facility is currently seeking motivated students to apply for the position of Recreation Assistant. This position assists with front line operations of the Tri-Rec (Control Desk and Weight Room/Fitness Floor). The Tri-Rec is a new satellite facility located at Tri-Towers, operating under the Department of Recreational Services. Candidates applying for this position should expect to receive about 20 hours of training during the fall semester, and begin working at the Tri-Rec in the spring semester.

Requirements:

- Successful candidates must possess strong customer service skills.

- This position is responsible for assisting guests with access to the Tri-Rec.

- Recreation Assistants also assist with facility safety/risk management, monitoring designated areas of the Tri-Rec, and cleaning.

- Strong verbal and written communications skills are also required.
