Dear Applicant,

Thank you for your interest in volunteer opportunities at Townhall II. Following is information on various volunteer opportunities. Take a moment to read over each description to find the opportunity that is right for you. Please note this area of interest on your application.

24-Hour Crisis Helpline
The training program consists of approximately 80 hours of lecture, role-plays, on the job observations, and other activities. Training is offered three times a year, at varying times. Attendance at each session is mandatory. After successful completion of the program, volunteers will be able to provide intervention for people in crisis who call the crisis Helpline or walk in at Townhall II. After completing the training program, volunteers are required to answer the Helpline for 200 hours over the course of a year. Volunteers usually choose to do this by volunteering four hours each week. The training will teach you about yourself while showing you how to help others. It is a rewarding, but challenging experience.

Crime Victim Advocacy
Crime Victim Advocates provide hands-on emotional support and assistance to victims of violent crimes. Crime Victim Advocacy training includes crisis intervention training, lecture, discussion, supervised role-playing, and skill-building activities. Participants learn about listening and communication skills, healthy boundaries, self-care, sexual assault, domestic violence, stalking, and other violent crimes, as well as tour a Sexual Assault Nurse Examiners Unit. Must submit an application, complete a brief interview, and complete the 40-hour training. Trainees who successfully complete the 40-hour training are asked to fulfill a 200-hour minimum volunteer commitment.

Victim Outreach Program Teen Team
The Teen Team is a fun and rewarding volunteer opportunity for teens currently enrolled in high school. All teens must have parental permission, as well as their own transportation, to participate. Must complete a brief interview, submit an application, and complete initial training. Training includes listening and communication skills, healthy boundaries, self-care, overview of Townhall II services, lecture, discussion, and skill-building activities.

Medical Clinic
Professional volunteer RNs, LPNs, and MAs assist in rooming patients during clinic hours. Physicians and Nurse Practitioners needed to provide acute and chronic health services. Current licensure required for all professionals.

If you are interested in participating in one of these programs, please return the application to:

Information on where to obtain these services will be provided by Townhall II.
