Proxy Borrowing Information

If you would like to have someone else (a “proxy”) pickup library materials and check them out to your library record:

- For first-time or one time proxy borrowing (picking up) of material, the proxy will need the patron’s photo ID and a signed, dated note stating that [printed name of individual] is picking up [title of item(s) for you (full name printed)].
- For routine or occasional proxy borrowing (picking up) of material you may complete this form. Only one (1) proxy per form, but multiple forms may be returned.

For routine proxy borrowing, complete the following information:

BANNER ID NUMBER _____________________ CONTACT NUMBER ___________________

DESIGNEE’S NAME ____________________________________________

I understand that by granting permission to the above designee (proxy) I am responsible for all materials checked out to my record. I can view my patron record online at http://kentlink.kent.edu/patroninfo to review material checked out, due dates, holds and fines.

A proxy must identify for whom they are picking up material and present their own photo ID to borrow (pick up) material using my record.

Permission will continue until the Stark Campus Circulation Desk is notified in writing to remove a proxy.

By signing, I am agreeing to the above.
