Employee Coverage Effective Date
Please contact the Benefits Office for more information regarding the following requirements that must be satisfied for your insurance to become effective. You must satisfy:

- Eligibility requirements
- An evidence of insurability requirement
- An active work requirement. This means that if you are not actively at work on the day before the scheduled effective date of insurance including Dependents Life Insurance, your insurance will not become effective until the day after you complete one day of active work as an eligible employee.

Age Reductions
Under this plan, coverage reduces by 35% at age 65, 50% at age 70, and 65% at age 75. If you or your spouse are age 65 or over, ask your human resources representative for the amount of coverage available.

Suicide Exclusion
This plan includes an exclusion for death resulting from suicide or other intentionally self-inflicted injury. The amount payable will exclude amounts that have not been continuously in effect for at least two years on the date of death.

Waiver of Premium Provision
The Standard may continue your Life Insurance without premium payments if you:

- become totally disabled while insured under the group policy
- are under the age of 60
- complete the waiting period of 180 days
- give us satisfactory proof of loss

Portability
If your insurance ends because your employment terminates, you may be eligible to buy portable group insurance coverage. Please contact the Benefits Office for additional information. This is subject to state variations.

When Spouse and Child Coverage Ends
Your brochure includes information about when your insurance ends. Any spouse and child coverage will automatically end on the earliest of the following:

- five months after the date you die
- the date your Life Insurance ends
- the date Dependents Life Insurance terminates under the group policy
- the date Kent State University's coverageunder the group policy for Dependents Life Insurance terminates
- the date the last period ends for which a premium was paid for your Dependents Life Insurance
- when the dependent ceases to be an eligible dependent
- for your spouse the date of your divorce.
- for a child who is disabled, 90 days after we mail you a proof of disability request, if proof is not given.

If you become insured, you will receive a group insurance certificate containing a detailed description of the insurance coverage. The information presented above is controlled by the group policy and does not modify it in any way. The controlling provisions are in the group policy issued by Standard Insurance Company.
Beneficiary Information

- Your designation revokes all prior designations.

- Benefits are only payable to a contingent Beneficiary if you are not survived by one or more primary Beneficiary(ies).

- If you name two or more Beneficiaries in a class:
  1. Two or more surviving Beneficiaries will share equally, unless you provide for unequal shares.
  2. If you provide for unequal shares in a class, and two or more Beneficiaries in that class survive, we will pay each surviving Beneficiary his or her designated share. Unless you provide otherwise, we will then pay the share(s) otherwise due to any deceased Beneficiary(ies) to the surviving Beneficiaries pro rata based on the relationship that the designated percentage or fractional share of each surviving Beneficiary bears to the total shares of all surviving Beneficiaries.
  3. If only one Beneficiary in a class survives, we will pay the total death benefits to that Beneficiary.

- If a minor (a person not of legal age), or your estate, is the Beneficiary, it may be necessary to have a guardian or a legal representative appointed by the court before any death benefit can be paid. If the Beneficiary is a trust or trustee, the written trust must be identified in the Beneficiary designation. For example, “Dorothy Q. Smith, Trustee under the trust agreement dated _______________.”

- A power of attorney must grant specific authority, by the terms of the document or applicable law, to make or change a Beneficiary designation. If you have any questions, consult your legal advisor.

- Dependents Insurance, if any, is payable to you, if living, or as provided under your Employer’s coverage under the Group Policy.
